Re: Receipt of Renewed Petition filed via facsimile on June 6, 2006

At approximately 9:15 a.m., I telephoned Mr. James Thompson, Attorney Advisor at the Office of PCT Legal Administration, as an assistant to Bob King, counsel for the Petitioners in this matter, to verify that the petition was transmitted to the proper fax number. Mr. Thompson verified that it was, and also noted that the Office of PCT Legal Administration does not have the capability to send return facsimile acknowledgements. He said the document should be with a clerk in his office, and that he expects to receive it sometime today.

I thanked Mr. Thompson for his assistance and asked that he contact us if anything else would be needed with regard to the granting of this petition.
